Hotel Registration and Grading

All accommodation in Jersey must be registered but grading is optional. Quality (grading) is assessed by either the AA or Visit Britain for the Jersey Quality Assured (JQA) scheme. Please be aware that ratings may change throughout the year.

The AA and Visit Britain now assess hotels, guest accommodation and self-catering to the same criteria and award one to five stars or one to five pennants for campsites. The rating reflects the overall quality of the experience.

Jersey ratings made easy

- ★ **Acceptable** – simple, practical, no frills
 - ★★ **Good** – well presented and well run
 - ★★★ **Very good** level of quality and comfort
 - ★★★★ **Excellent** standard throughout
 - ★★★★★ **Exceptional** with a degree of luxury
- ★ AA Red Star Hotel
 - ★ JQA or AA Gold Award

Outstanding examples in each star category are highlighted in red or yellow.

For **AA** ratings, visit www.theAA.com or telephone: **01256 844455**

For JQA ratings, visit www.qualityintourism.com or telephone: **01534 448877**
