Fort Regent Discovery
Circular Walk

Discovery Fort Regent with a self-guided tour. The fortress, nestled above the town of St. Helier was originally built as a Napoleonic fortress but has since been transformed into a modern venue for tourist and local visitors as the largest sports and leisure centre in the island. Learn about the interesting past of the fort during the Occupation and finish the walk with a drink in The View Bar.

This walk is approximately 1.5 hours. Outdoor areas are accessible in daylight only.
