# Around Island Walk – Day 1

**St. Helier to Corbière**

*Time: 09:30 – 18:00 / Linear Walk*

You will leave the hustle and bustle of St. Helier behind as you head out west, across the sands of St. Aubin’s Bay, towards the town of St. Aubin itself. Take a break alongside this old sailing Port, before you ascend a steep climb to view the panoramic scene from Noirmont Point surrounded by WW2 fortifications, before dropping down into the beautiful bay of St. Brelade. The day’s adventure will finish at the spectacular setting of Corbière lighthouse, with a tempting glimpse of what the next day has to offer. Our lunch stop will be at the Portelet Inn.

---

# Around Island Walk – Day 2

**Corbière to Grève de Lecq**

*Time: 09:30 – 17:30 / Linear Walk*

Today will see you head north along the west coast, crossing the vast expanse of St. Ouen’s Bay, known locally as the Five Mile Road. A steep path leads to the top of the headland at the northern end of the bay, passing the Pinnacle rock, the racecourse and Grosnez Castle. From Plémont the walk follows the cliff path to Grève de Lecq and the opportunity for refreshments in one of the cafés or hostelries in this very popular little bay. Bring a packed lunch/refreshments.

Around Island Walk – Day 3
Grève de Lecq to Bouley Bay

Time: 09:30 – 17:30 / Linear Walk

Be prepared for a day of undulating cliff paths, passing many small coves once used for ‘smugglers’ with views towards our French neighbours of Normandy. You will also have a chance to explore some of Jersey’s ‘Green Lanes’ through the parish of St. Mary and St. John. The route passes through hidden valleys and above the coves that lead towards Bonne Nuit Bay. It is here that you will stop for lunch before climbing up to Jersey’s highest point at Les Platons (113 metres) then finally descending sharply to finish at Bouley Bay. Refreshments available at Bonne Nuit.

Around Island Walk – Day 4
Bouley Bay to Gorey

Time: 09:30 – 17:45 / Linear Walk

After a relatively difficult section of cliff paths out of Bouley Bay, the walk becomes easier as it descends into picturesque Rozel Bay with its old oyster fishing harbour. The perfect place for you to have lunch surrounded by fishing boats. After another short climb towards the Dolmen du Couperon, our walk takes on a more gentle gradient towards the mid-19th Century naval harbour at St. Catherine’s. This has to be one of the highlights of your week as we pass Anne Port you will be greeted by the impressive 13th Century Mont Orgueil Castle. Lunch stop: Rozel Bay - Bring a packed lunch.

Around Island Walk – Day 5
Gorey Harbour to St. Helier

Time: 10:00 – 13:30 / Linear Walk

The final stretch of the Around Island Walk along the east to south coastal shore will return us to our starting point in St. Helier. You pass the remaining Jersey Round towers, with Forts dating back to the 1780’s as we head towards La Rocque harbour, the arrival point of the French during the ‘Battle of Jersey’. The approach to St. Helier is via Havre des Pas with its Victorian swimming pool, with a short but scenic climb over Mount Bingham down into town. This will be a half-day rapid walk, allowing you to take advantage of the town to relax.

A Harbour Master’s History of St. Helier Harbour

Time: 10:30 – 12:30 / Circular Walk

Join a former Harbour Master of Jersey and Bronze Award Guide for a pleasant stroll around St. Helier Harbour, hear about its history, development and nautical traditions. The tour explores some of the lesser visited areas of the Harbour and is interspersed with the occasional maritime anecdote.

A wander through St. Helier, discovering the part played by ‘churches,’ from a Neolithic temple to present day buildings: The importance of an Anglo-Saxon Saint to the growth of the town. The role of the Town Church in island government. How the Newfoundland fishing industry brought Methodism and John Wesley to Jersey. The church that grew out of 19th Century political parties. How ‘émigrés’ from the French Revolution encouraged the return of the Catholic church and finally, the role of these churches in the community today.

Although St. Helier nowadays is a small and pretty town, Blue Badge Guide Tom Bunting will take you on a fascinating wander through the lesser-known streets, revealing some of St. Helier’s murkier and quirkier moments in the Island’s unique history. Revel in the gruesome events and bizarre characters that formed the underbelly of Jersey society and learn a darker side of Jersey’s past that would otherwise remain forgotten.

A Taste of St. Helier  
_Time: 10:30 – 13:00 / Circular Walk_

Find out how a handful of fishermen’s huts grew into a major financial centre. Along the way you’ll hear about the Honorary Police, their unusual relationship with the Monarchy and the first postmaster! You’ll visit the Town Hall, the Fish Market and the Victorian Central Market. Mix this with stories about Jersey’s famous cows and potatoes and maybe a tasting of something local. You will leave the covered market to go to the Royal Square to relive the last land battle fought in the British Isles.

### A Taste of St. Aubin

*Time: 10:30 – 13:00 / Circular Walk*

Take a stroll around St. Aubin, once the commercial heart of Jersey and its main port. Hear about merchants, benefactors, privateers and fishermen. Find out how the village grew, the coming of Methodism, the Cod Triangle and the legend of Ghost Hill. See the old elementary school, the church of St. Aubin on the Hill with its window created by Edward Burne-Jones, the Pre-Raphaelite artist; the pub where Karl Marx stayed and the ancient seat of the Seigneurs of Francief.

### Pre Sunday Lunch Ramble

*Time: 10:00 – 13:30 / Circular Walk*

This circular Sunday Ramble before lunch will take you from St. Aubin past an old court house, a manor house and above one of Europe’s most important Neanderthal caves. Experience coastal foot paths with spectacular views, farming country full of colour, smells and sounds, plus Ice Age features along a beach used to quarantine plague ships and their crews. Sturdy footwear required. An appetite is not a prerequisite; however you may have built one up by the end of the walk, in which case St. Aubin’s Village is the perfect spot to finish with many good eateries.

Jersey has a unique perspective on life during World War II. Blue Badge Guide Tom Bunting takes you on an insightful journey through the countryside, explaining what life was like for the Islanders during the occupation, cut off from the outside world and with dwindling rations. You will visit some original trenches and structures, including an anti-aircraft battery, built by the German occupying forces. You will also see a fascinating array of relics which had lain undisturbed for over 60 years before being excavated by Channel 4’s “Time Team”. The walk finishes at the Jersey War Tunnels.
