

Journey to the Sea

Linear Walk

This short and easy walk heads downhill all the way to the sea. Start with a peruse at the St Peter's windmill, now home to Catherine Best Jewellers and stroll through St. Ouen's Village, passing by one of the prettiest manors in Jersey, St. Ouen's Manor which dates back to the 12th century, before continuing downhill to a glittering view of St. Ouen's Bay. Make sure you visit Kempt Tower, a defensive tower built in 1834 against possible French invasion, the perfect spot to take a break and enjoy the salty fresh air.
