

Jersey welcomes visitors

All visitors are welcome

No test required before leaving or returning to the UK

No isolation required if contact traced and have agreed to participate in the testing programme

Fully vaccinated? Great*

- ✓ Complete a **pre departure registration form**
- ✓ **No test** or isolation required

If you have travelled to a UK Government Red List country within ten days of arriving in Jersey then further testing and isolation is required [Click here for more information](#)

*Fully vaccinated is defined as three doses, two doses plus a booster, no less than two weeks before arrival in Jersey.

Not fully vaccinated? No worries

- ✓ Complete a **pre departure registration form**
- ✓ **Free PCR** test on arrival (day 0)
- ✓ **Isolate** until day 0 negative test result (normally within 12 hours)
- ✓ **Fast track** arrival by testing before travel (see details below)

Children

Children aged 0-11

- ✓ Not required to complete the pre-departure registration form
- ✓ Not required to take a PCR test on arrival
- ✓ No isolation required

Children aged 12+

- ✓ Required to complete the [pre-departure registration form](#)
- ✓ **Free PCR** test on arrival for those who are not fully vaccinated (have received a single dose only).
- ✓ **Isolate** until day 0 negative test result (normally within 12 hours)
- ✓ **Fast track** arrival by testing before travel (see details below)

Before Arriving in Jersey

Register online

All visitors aged 12+ must complete a pre-departure registration form within 48 hours prior to arrival.

» **Fast track**

Visitors who are not fully vaccinated can opt to send evidence of a negative PCR test* within 72 hours of arriving to avoid testing and any isolation

[Click here for details](#)

*Tests must be from an approved organisation

Vaccination Proof

Fully vaccinated visitors can check here to ensure they have the correct documents upon arrival
